Élan RV40

DAB/FM Portable Radio with ReVu™

Based on the UK's best-selling radio, Élan RV40 comes in a stylish graphite finish and would look perfect in any modern home.

As well as all the features of the original Élan, Élan RV40 has a host of functions designed to make life easier; including PURE's revolutionary ReVu™ technology, enabling you to pause and rewind live radio, so you need never miss a track or news update again; textSCAN™ to pause and control scrolling text, giving you time to note down web addresses or competition phone numbers; and Intellitext™ for on-demand access to broadcast text.

In addition to these time-saving features, Élan RV40 is also ChargePAK® ready. Easy to fit, the optional ChargePAK gives up to 15 hours of portable listening between charges, so you can enjoy your favourite radio stations wherever you want.
