ONE mini

The radio for everyone

digital Radio R-D-S

If you're looking for a compact, portable DAB radio, ONE Mini™ offers a blend of quality, style and affordability that's hard to beat.

Small and light, ONE Mini is an ideal travelling companion giving up to 20 hours portable listening when fitted with the optional rechargeable ChargePAK®.

Despite its compact dimensions, ONE Mini has been engineered to provide surprisingly punchy audio quality and volume. We've also worked hard to make it intuitive to use with simple controls and easy access to features.

If you haven't experienced DAB digital radio yet, you're in for a treat. There's more station choice, easy station selection, extra information on the display and crisp, clear digital-quality sound.

ONE Mini also offers FM reception, an input so you can plug in your iPod and use ONE Mini as a portable speaker, up to 16 presets, a headphone socket and a USB socket for future upgrades. There's even a choice of colours.

ONE Mini – perfectly simple, easily affordable.
