## TEMPUS-1S

Luxury DAB & FM Clock Radio

The third generation of our multi-award-winning TEMPUS family of DAB bedside radios, TEMPUS-1S has a new look, improved audio and a host of new features.

We've added natural sounds including lapping waves, forest rain and birdsong to aid sleep and relaxation; additional station presets; a fourth alarm; PURE's revolutionary Intellitext® and textSCAN™; FM with RDS for areas with reduced DAB coverage; and an auxiliary input for your iPod or MiniDisc player.

A striking new OLED (Organic Light Emitting Diode) display offers crystal-clear readability from any angle, and manual or automatic brightness control for optimum clarity.

Of course we've kept the features that made TEMPUS-1<sup>XT</sup> such a hit, including our innovative SnoozeHandle®, advanced alarm settings, wake fade-up and sleep fade-down, full-screen clock, optional stereo speaker, crystal clear audio and real cherry veneer casework.

Natural sounds such as rain, birdsong and the sea to aid relaxation and sleep

Organic LED display for superior contrast and readability

Four alarms with: DAB, FM, natural sound or tone setting; volume fade; and weekday, weekend or once-only options

Light sensor adjusts display brightness to suit the light in your room

## Features

Natural sounds including lapping waves, forest rain and birdsong to aid relaxation and sleep.

Organic LED display for superior contrast and readability.

Four alarms with: DAB, FM, natural sound or tone setting; volume fade; and weekday, weekend or once-only options.

Light sensor adjusts the display brightness to suit the light in your room.

SnoozeHandle®

Touch-sensitive SnoozeHandle® snoozes the alarm and illuminates the display.

Clock is automatically updated from a broadcast DAB time signal, so you don't have to set it or worry about resetting it when the clocks go forward or back.

Connect an iPod or MiniDisc and play it directly through the TEMPUS-1S speaker.

Intellitext

Browse stored scrolling text at your convenience.

Pause and control scrolling text.

30 DAB or FM presets in a combined list.

R-D-S

RDS for FM station name display and RDS scrolling text.

Add new features as they become available via USB.

## Optional S-1 speaker

Add a matching S-1 speaker for superb stereo sound from your TEMPUS-1S. The S-1 has a matching full-range 3" drive unit, bass port and the same style and finish. 3m cable fitted.

Please note that TEMPUS-1S and the S-1 auxiliary speaker use real wood veneer. As with all natural wood products, some variation in colour is to be expected.

EcoPlus

EcoPlus products are designed and manufactured to minimize their environmental impact, with:

- reduced power consumption in operation and standby (see graph opposite)
- use of materials from recycled and sustainable sources
- the smallest possible packaging
- components selected to minimize environmental impact

TEMPUS-1S power consumption vs. industry average
