Exquisite design and build quality at budget price. The *My Mini Magic Torch™* is so compact that it will easily fit your pocket - and so will the price! The Hi-Tech brushless hand generator system will provide 25-30 mins of light for each minute wound and is virtually immune to wear. The internal (NiMH) battery of 300mA capacity offers up to 5 hours continuous light output. These torches also feature a Super Bright 0.3W LED lamp tested to 50,000 hours life, and an emergency mobile phone charger complete with Nokia auto recoil connecting wire plus a range of adapters to suit most other popular makes.
